

Welcome to Huginn Aviation

It is our great pleasure to offer you an aircraft appraisal. The appraisal takes into account the material provided by you, sent to us digitally either by email or preferably via our file transfer service TransferNow using the link provided.

There are a lot of factors affecting the current true value of your aircraft. Some are the aircraft age, how it is equipped, the total hours, the engine hours, the physical state and appearance, how everything is documented, the general aviation market, and much more ...

Help us help you by providing as much information as possible about your aircraft.

Basic Information:

- Make and Model.
- Year of Manufacture.
- Aircraft Serial Number / MSN.
- Engine(s) Make, Model and Serial Number(s).
- Propeller(s) Make, Model and Serial Number(s).
- Airframe Total Time. TSN.
- Engine(s) Total Time. TSN + TSO.
- Propeller(s) Total Time. TSN + TSO.

Documentation:

- Equipment List. List of aircraft avionics and installed equipment.
- Maintenance Status List.
- Component Status List.
- AD/SB Status List.
- Documentation of any STCs and modifications.
- Last page of the Aircraft Journey Log.
- Damage Record and Repair Documentation, if applicable.
- Airworthiness Certificate.
- Airworthiness Review Certificate.
- Back to Birth. Confirmation of complete historic records from inception.
- Maintenance Program Information (e.g. P&W Gold, Williams TAP Blue Elite, Textron ProAdvantage).

Pictures:

- Exterior. Different parts of the aircraft, wings, tail, fuselage, engine cowls etc.
- Interior. Seats, carpets, inner linings, ceiling, cabinets, stowages etc.
- Instrument panel. All panels. Pedestal, CB panels, PFDs, MFDs, GPSs etc.
- Relevant details or special features of the aircraft.

Owner Subjective Assessment:

- Please rate your own aircraft on a 1 to 10 scale, where 10 is the best/highest.
- Rate the exterior.
- Rate the interior.
- Rate the engine(s) condition.
- Rate the propeller(s) condition.

Send files:

- To send us the material use the free file transfer service from TransferNow.
- We will email you a transfer link.
- If you've not received a link, you are welcome to use the file transfer service <https://transfERNOW.net>.
- Note: Insert info@huginnaviation.com as the recipient email and write the aircraft registration in the subject field.
